9. **I'VE GOT TO FORGIVE YOU**

"Peter came to Jesus and asked, 'Lord, how many times shall I forgive my brother when he sins against me? Up to seven times?' Jesus answered, 'I tell you, not seven times, but seventy-seven times'" Matthew 18:21-23

Remember all those times/You treated me with disdain/You hurt me deep inside/Over and over again/And then there was that time/You went and spread all those lies/That made me so ashamed/Why is it you're the one crying?/I saw you turn around/Turn your face to the wall/I'm

trying to comfort you/Wipe the tears from your jaw//And now you ask me why/Because I've got to forgive you/Not just forget but love you too/Because my father forgives me/For much more things than you could do/I know you might go back/And do those mean things again/But I just hope you think/How I treat you, my friend//Please tell me what is wrong/W hat's got you feeling so down?/Is there any way, way at all//Means that I could help out//I don't care what you've done/Tell me what I can do/I hope you understand/That I'm here for you//Because I've got to forgive you/Not just forget but love you too/Because my father forgives me/For much more things than you could do//As I Forgive my debtors/As I Forgive my debtors/As I Forgive my debtors/As I Forgive my debtors

Mighty God, Mighty God in heaven high / We love and praise you day and night / Mighty God, Mighty God so very wise / You understand our mortal lives / You are kind and full of love / Abounding patience, compassionate / Almighty God / You made the universe / You put me on the earth / Men and woman that God has made / Must bow down in ceaseless praise // Sent our deliverer / Provided for our needs / Judged the wicked and brought them to their knees // Forgiven us our debts / Gave us our daily bread / Taught us with careful trials / But still we have to smile / You call us each your child // **Mighty God, Mighty God in heaven high / We love and praise you day and night / Mighty God, Mighty God so very wise / You understand our mortal lives / You are kind and full of love / Abounding patience, compassionate / Almighty God // You've given us your word / That through it we may learn / How we can earn / The life we don't deserve // The words you say are true / Prophecies have been proved / Egypt's in ruins / And Babylon is, too // The wicked you bring low / Enemies overthrown / Some learned and changed / The rest are ever shamed // Our hope is in your Son / Through Christ sins are forgiven / His teachings save / Through him we give you praise // This world will not last / Your kingdom will come / Lives of peace / With Jesus in Jerusalem! // *Lyrics written with the help of the Round Hill, Jamaica ecclesial members' class 3/2/02***

20. SABBATH DAY TALKIN' BLUES

"Then [Jesus] said to the man, 'Stretch out your hand.' So he stretched it out and it was completely restored, just as sound as the other." Matthew 12:13

It was a sunny day the heat was beatin' down/I said I gotta get my harvest done and take it into town/Wife comes out and says, "It's Sabbath, Joe/Get back inside!" But I said, "No,/I'm tired a hearin' all them Gentiles boast/Tomorrow at the market /I'm gonna sell the most."/I picked and plucked till I got sore/But I just kept on goin cause I wanted more/When I was through I glowed with pride/Went to bed and dreamed of dollars that would soon be mine/Round about an hour to dawn/I was hitchin up my cart to put a load on/My lantern bumped against the ox's side/I tried to move when he reared up but my hand was tied/I was cryin and a cursin by the time I got untangled/Ox was alright but my hand was mangled/Never made it to the market, lost my whole crop/Couldn't ever work my field now cause my hand was smashed up/I changed my ways and turned to God/Next Sabbath day I was in the Synagogue/Some Levites were there and I told them what happened/They mocked my hand and started laughing/In walked some folks with a man at the lead/The things he was speaking really scared these priests/One grabbed me and told me to sit right there/They wanted to trap him with me as the bait/and the day/as the snare/The man looked my way and I thought,"Stay back it's a trap, don't get caught"/The compassion inside him was plain to see/And he walked past the priests and straight to me/The teachers grinned and rubbed their palms/As the man told me softly, "Stand before everyone"/So I got up./The room hushed."/I ask you" the man spoke out/"Is it legal on the Sabbath to bring good or bad about?/Good or evil, life or death/What's the lawful thing to do on the Holy Sabbath?"/He waited for their reply,/Turned round to me with this caring look in his eyes/"Stretch out your hand" I nervously did/Somehow I thought I was helping him/I looked down at my crippled limb/It was healthy and stronger than it ever been!/**Jesus healed a man/Jesus healed a man/The Lord of the Sabbath /has healed my hand**

21. SHOW ME (THE PROVERBS SONG)

"The fear of the LORD is the beginning of knowledge, but fools despise wisdom and discipline." Psalm 1:7

Show me, Teach me what is right/Teach me, Guide me with insight/Guide me, Lead me in your light// I'm lost when I don't walk/in your heavenly path/So I read your word/and it guides me like a map//The wise woman builds/but the foolish wife destroys/The mocker makes men mad/but the just bring joy/The folly of the fool/is found whenever he speaks/The righteous reap their reward/while the sluggard sleeps// Show me, Teach me what is right/Teach me, Guide me with insight/Guide me, Lead me in your light//The liar's lips are like sweet honey/laced with cyanide/A righteous rebuke is worth more than many flattering lies/Though gossip goes down to your gut/it isn't fit to tell/Assist a needy neighbor/he was made by God as well// I'm lost when I don't walk/in your heavenly path/So I read your word/and it guides me like a map//A wayward woman lies in wait/but her way leads to death/A wife a noble character displays true loveliness/Fear the Lord, obey His laws/and love Him more than life/A living fountain, living tree,/and glory await the wise// Show me, Teach me what is right/Teach me, Guide me with insight/Guide me, Lead me in your light

22. THANK YOU

"[Give] thanks in all circumstances, for this is God's will for you in Christ Jesus." 1 Thessalonians 5:18

Thank you that my life remains / As I wake to morning's light / And for the food that gives me power / The whole day through to fight / And as I lay me down to sleep / I thank you for the night / **Thank you, Father God for all you do / Oh Lord, thank you //** Thank you for the sun that shines / Giving life to the trees / And for those trees you've made provide / The air for me to breathe / Every breath is a miracle / Thank you for blessing me / **Thank you, Father God for all you do / Oh Lord, thank you //** Thank you for the mouth I have / To praise your Holy name / And for the tongue that makes me able / To spread your glory and fame / Your words express your endless love / And mine will do the same

23. THE ATONEMENT SONG

"But when this priest had offered for all time one sacrifice for sins, he sat down at the right hand of God." Hebrews 10:12

Take my life, Lord./Make it Yours, Lord./Set your fire/Bright inside, Lord./Sanctify me/As a vessel/Let me serve you/In Your temple//To bear affliction/To bear our load/You have sent your only Son/Never flinching/Never turning/W/ithout sin/He paid our ransom//Purify me/Dwell inside me/Set your fire bright within//Wash me cleanse me/Make me Holy/Lord, forgive me of my sins/Lord, forgive me of my sins

24. THE FEELING INSIDE

"And surely I am with you always, to the very end of the age." Matthew 28:20

If you answered me with words / I wonder what you'd say / If my ears were fit to hear / Your voice each day when I pray // But this feeling I feel inside / When I call your name in need / Reveals that you're here / That you're not just near / But you're dwelling inside of me // **Oh I can't describe this feeling inside / I feel like I could fly / So why am I crying? //** Why Lord, does your comfort make me weep? / Where was I when you were suffering? / I'm nothing and yet you still love me / By mercy and grace // **Oh I can't describe this feeling inside / Too real to deny / Was dead now alive //** I laid down and offered you my life / Begged you and asked you to just let me die / Through pointless tears I made myself blind / But you came to me / And wiped them from my eyes

25. THE FELLOWSHIP SONG

"Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful." Colossians 3:15

You and me are one family/You and me are one body//In the Lord we come together//In the Lord we all are brethren//Breaking bread we all grow closer/Sharing wine we kiss each other//In Christ's name we come together//In Christ's name we all are brethren//Hands, eyes, ears, mouth, shoulders, feet/Join in as one we are complete/God's hands guided us all to this place/Let no man try to separate us, Please//You and me are one family/You and me are one body//In the Lord we come together//In the Lord we all are brethren//Breaking bread we all grow closer/Sharing wine we kiss each other//In Christ's name we come together//In Christ's name we all are brethren//Come to me as I to you//In love and peace to help and do//The things we need to get us through/Each day till we can greet our Savior too

26. THE GATE (lyrics co-written with Bro. Stan Isbell)

"I am the gate; whoever enters through me will be saved." John 10:9

Stop and pray/The Lord has blessed us today/He's given us His mercy/He's shown us the way//I will thank you Lord/For giving me your son/I will always remember/That through him we all are one//I have a master and brother/He loves me though I am weak/When I stumble he lifts me/He strengthens my feeble knees//Now I fall down before him/But it's not cause I'm faint/I just wish to thank him/Emmanuel opened the gate//A wall wraps round your sweet word/Spread from the ground to the sky/A jungle of foolish men's fancies/Kept us in darkness outside//Thousands of years without light till/A star rose overhead/Announcing the birth of a man in the earth//To lead his kind from the dead//When he was twelve he could see us/On the other side of the wall/Asking him to overcome sin/And be given power over all//Studied the Bible so closely/When he was thirty could see/Tradition's stones and his nature's/Must fall down before he'd be free//Walking round through the people/Assuring both great and small/Speaking of his story and the Kingdom's glory/Soon a gate just appeared in the wall//But the leaders

were angry/As they saw the crowds near/Giving heed to him, getting blessings/Coming from faith not from fear//Only counting their losses/Teachers lied to themselves/Without guidance and misled/They refused his help//The blind saw him as guilty/He would have cleaned off their sins/He offered life to them/They asked for his//Lifting him up to shame him/Hoping his people'd forget/The promises he explained to them/Things that are and will be yet//He died as a servant of his father and man/He rose as flesh and light/Soon he'll return to the earth/To rule over those he gives life//The door to his kingdom is open/Like a book between the hands/Those who are dressed in righteousness/Within the wall will stand//I come to you now, Lord I love/To offer thanks and praise/You've washed me as a bride prepared/Before her wedding day//My blessings and my discipline/Given by the same hand/You've trained my eyes and ears to know/Your wondrous plan and commands//My days and dreams I think/Of your return/Do I see your shadow ahead?/Soon come my master, soon come

27. THE KING IS HERE

"For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever." 1 Thessalonians 4:16, 17

28. THE LORD'S PRAYER

"This, then, is how you should pray " Matthew 6:9

Our Father in Heaven/Hallowed be thy name/Thy kingdom come, thy will be done/Heaven and earth the same/Give us this day our daily bread/Forgive our sins/We'll forgive debts/Lead us not into temptation/deliver us from sin/for the kingdom and the power/the glory forever/are yours, amen, amen

29. TO BE LIKE YOU

"Be imitators of God, therefore, as dearly loved children and live a life of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God." Ephesians 5:1,2

All I really want now is to be like you./All that I desire is to live the truth./So much to change, so much to grow./I ask you Lord to help me, though//Oh no, oh no I've done it again//I've let myself commit a sin/My eyes betrayed me then my hands/Same story since the fall of man//My brain's been trained to notice all kinds of wickedness/From a child until now been going astray/Lord Jesus, help me change//All I really want now is to be like you./All that I desire is to live the truth./So much to change, so much to grow./I ask you Lord to help me, though //God gave me life and that is a good enough reason to obey/Then as I look around outside I'm overwhelmed by his glorious might//Well if I could just take it all back/you know I would/just wash away those nasty things I've thought or said or done//All I really want now is to be like you./All that I desire is to live the truth./So much to change, so much to grow./I ask you Lord to help me, though //There's been good people all through time/from Abel through Paul and on down the line/What is their secret to success, especially you, Lord Jesus?//I used to think that it was weak to not fight back- to be so meek/Denying yourself took so much might and now you have Eternal Life//All I really want now is to be like you...

30. UNDER THE RAINBOW (Noah)

"I have set my rainbow in the clouds, and it will be the sign of the covenant between me and the earth." Genesis 9:13

We're not in the rain we're under the rainbow/You and I were in the same boat/Seems so long ago since we were on dry ground//Smile just let yourself go/Let me see your face glow/Dance the way you do when nobody's around//The time has come/to let your heart go free/Release it to the wind/it is a time of jubilee/Open up don't hide/Gotta let some light inside/sow seeds of faith and kill doubts that tear your mind// We're not in the rain we're under the rainbow/You and I were in the same boat/Seems so long ago since we were on dry ground//Smile just let yourself go/Let me see your face glow/Dance the way you do when nobody's around//It's not the end/we may someday cry again/Let us give thanks/and show our happiness till then//Contentment- that's the word/I was trying to recall/When we wondered what to pray for most of all/ We're not in the rain we're under the rainbow/You and I were in the same boat/Seems so long ago since we were on dry ground//And as I look around/I have to sigh/My feet are muddy/but my head is high/Gotta make it through the storm/before the sky

You are the way, /The truth, and the life. /Holder of the words of life, /Holy One of God Most High, /Where would we go, what would we do? /Where would we go, what would we do? /Without you? /Where would we go, what would we do? /Living water, bread of life, /Living, Loving Sacrifice, /Body broken, raised again, /By your blood we're freed from sin. /Where would we go, what would we do?...

32. YOU MAKE ME FEEL WORTH IT

"All this is evidence that God's judgment is right, and as a result you will be counted worthy of the kingdom of God, for which you are suffering." 2 Thessalonians 1:5

Oh Lord, you make me / Feel like I am worth it / Though, I know I do not deserve it / You gave your life as a sacrifice / But still everyday / I fail in someway / To exalt your precious love // God, you gave me more than gold or silver / You are my Father and forgiver / You sent your son so that everyone / Might not die but live / If they trust in him / And seek to bear his name // Lord of Lords, I wait for your return / To see your face and glory on the earth / May that day come soon / May I see you there / If it is your will / If I am prepared // Mighty God, you've offered us all things / Peace and love and many more blessings / If my words expressed / If my hands could show / how you've made me feel / But I pray you know

Thought I had it all worked out/I've worked so long/What I do wrong?/Is this how my life will go/Unjust burdens/I don't know/Let your good will/be done in me/as it is above/Your mere presence is all I need/As long as I'm alive/I'll know your love/Yes, I'm blessed/thankful I guess/With more than I deserve in life/Though this isn't what I planned/with your strength/I'll understand//Let your good will/be done in me/as it is above/Your mere presence is all I need/As long as I'm alive/I'll know your love
